

## Join In Renewing America's Covenant with God By Becoming Part of Liberty Christian Fellowship's "Liberty Offsite Body of Christ Communities"

**Help Your Group Become Disciples of Christ Who  
Apply the Bible to Their Personal & Civic Lives  
By Hosting a LCF Bible Study That Views our  
Sermon Videos and Completes our Notes!**

God honored the covenant Early American Puritans made with Him called "The Mayflower Compact." Under God's inspiration America's "Pro-Testament" Founders, wrote The Declaration of Independence, which is the Christian doctrine of how the Bible applies to civics, and the Bill of Rights, which are The Ten Commandments for Government!

**We cannot reestablish that foundation in a secular way. We must be born again in Christ and have Him lead and support us to stand on His Word and apply it to every aspect of life, including civics!**

America only can be restored through a great awakening that ...

- converts us to be born-again disciples whom the Holy Spirit motivates to obey God's Commands!
- inspires Biblical conservatism by honoring God and His Word as the Cornerstone of our Republic.
- produces patriotism that stands upon the Biblical-Application to Civics God inspired through our nation's founders.

**Liberty Christian Fellowship Church launched on Patriot's Day, April 2014, and you can help us Relaunch America by hosting a Liberty Offsite Body of Christ Community (LOBOCC) Bible study!**

Our mission is to teach The Bible without ignoring its application to the civics that codified US (pun intended) as "One Nation Under God."

**You can Assemble to meet weekly in a home to View a LCF Message; Complete Downloaded notes; and Discuss what is being taught about the Bible!**

Participate as a LCF Offsite Body of Christ by volunteering as

- 1) a facilitator who organizes & spiritually leads a group
  - 2) a host who opens your home for the group to meet weekly
  - 3) an administrative assistant, who assists the facilitator to download LCF bulletin-sermon notes, and ensures copies are available for attendees.
- Administrative duties also can be handled by the facilitator or the host.

Equipment needed:

- 1) a computer, tablet or cell phone
- 2) a screen, TV or monitor,
- 3) HDMI cable & adaptor for phone/tablet to stream the LCF videos, and
- 4) a printer for the notes.

To Sample what a LOBOCC is like, email: [Office@LibertyCFChurch.org](mailto:Office@LibertyCFChurch.org) and CC: [WebAdmin@LibertyCFChurch.org](mailto:WebAdmin@LibertyCFChurch.org), Subj: "LOBOCC Try-1" to obtain links to a Sermon video and download a note sheet, with facilitator notes.

## BRING PASTOR EARL'S BIBLE TEACHING TO YOUR GROUP!

### Here's How You Can Host A Liberty Christian Fellowship Bible Study!

We'll help you learn more about the Bible while also helping your family members, acquaintances, converts, friends and interested others learn too!

You don't have to spend your time doing all the study and prep necessary. Pastor Earl has done this for us!.

#### **Spend your time building relationships with those you invite to view and discuss LCF messages.**

You host/facilitate weekly Bible studies that view our teaching series and complete fill-ins of our downloaded bulletin sermon notes.

#### **LCF's teaching gives you the background to understand God, and why what He has included in the Bible is for His glory and our edification!**

The Bible consistently reveals Who God/Christ/The Holy Spirit is from Genesis to Revelation. The Bible is called Old & New "Testaments" because the people whose stories are told provide a "testimony" of Who God Is and what can be like in relation to Who God Is! Thus we see how are lives are transformed to testify of God!

#### **Your group can learn at your own "self-pace"!**

Stop the videos as often as you like, so you and those participating can comment, ask questions, look up other verses. Take 2-3 weeks or more to go through a video.

Since we teach through entire books of the Bible, the LOBOCC initiative is great for getting people to learn Scripture unconstrained by false ideologies, like "separation of church and state."

### Here's how LCF Supports Your Offsite Bible Study

- We offer online support to ensure you have access to the video and notes you'll use on any night.
- You can use Youtube videos of popular artists leading worship, and LCF can email you words to the songs you pre-select for a particular evening.
- Pastor Wallace is available to provide facilitation advice to make your studies fun and meaningful!
- LCF also can provide you with CD's/DVDs of series that include the notes you can print
- Behind the 2 page fill-in handouts are background notes the facilitator can study to be prepared to answer questions.

Liberty Christian Fellowship's teaches the Bible to inspire a great awakening revival that ...
