

Pastor Earl Wallace's Bio

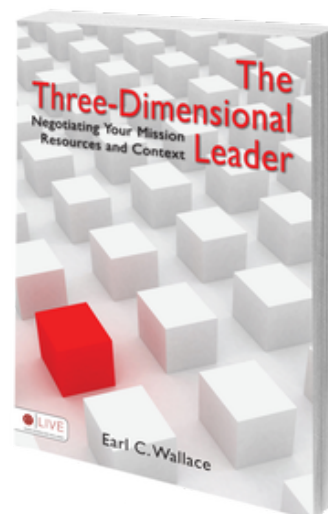

- **1980 - As a junior at Skidmore College, while attending a church in Saratoga Springs, it was prophesied I would handle the VA case for a veteran who was discharged in 1954.**
- **1981-1983 Taught English and classical literature at Saratoga Springs, Sr. High School. 92% and 95% of students passed NYS Regents exams, compared to school and statewide passage rates of 50% to 75%.**
- **1987 - 1998 Director NYS Division of Veterans Affairs office in Schenectady, NY. In addition to outperforming all offices for three consecutive years, in 1994, represented the veteran subject of the 1980 prophecy, and she obtained a settlement retroactive to 1954 — a 40 year divine reversal!**
- **1987 - 2000 Wrote Christian songs & led Earl Wallace & The Flood, whose music can be heard on BandCamp at: <https://earlwallace.bandcamp.com/music>**

& The Flood**

- **1987 - 2002 Taught weeklong Teen Bible Camps for 2-3 weeks each summer.**
- **1996 Ran for Schenectady City Council & was asked to “convert to Catholicism because the bishops are the backbone of government, as they meet informally with politicians from all parties after the church services in the main cities throughout America and “create across the isle cooperation.” (Some might call this Vatican driven one-world government!)**

- 1998 - 2000 Earned MBA from SUNY Albany & developed training programs and a statewide conference for the NYS DVA.
- Began developing Three-Dimensional Leadership, based upon the leadership styles in the book of Judges through which God produces the outcomes of “peace in the land for forty years.”
- 2004 - 2008 State Veterans Program Administrator (SVPA) for the NYS DOL Vets Programs & Services. In 6 months, reversed the underperformance of 100 employees, who met federal performance standards for the first time 6 years! This recouped \$125k in penalties being withdrawn punitively for lack of compliance. By my 5th quarter, we were exceeding every customer segment category by 6%-24%! Also designed a \$125k performance evaluation program that awarded employees for 5 tiers of performance. Conducted joint initiatives with the NY Times and other organizations. Spoke at Bears Sterns and multiple other organizations on customer service and 3D Leadership’s Mission, Vision and Values.
- 2009-2018 Published The Three-Dimensional Leader: Negotiating Your Mission, Resources and Context, and taught it throughout America, England, Kuala Lumpur, Malaysia & Dubai, United Arab Emirates.
- In 2012, while in KLM, a jihadist from Kuwait took me to lunch and dinner twice, explaining that “A Muslim sword was striking the world, and that I should move my family down to fifth cousins to be sheltered in Kuwait, as they already are shrewd enough to take advantage of what I called my 3D intellectual technology.” When I refused to betray my country, he poked me in the chest and said, “You Americans are doomed, because you don’t know how to defend your culture! We will use every freedom against you!”

- 2014 we stacked the three Bible studies I was teaching into a church and founded “Liberty Christian Fellowship (LFC) Church” to participate in Christ’s Great Commission by raising up disciples who can apply the Bible to every aspect of life, including civics!

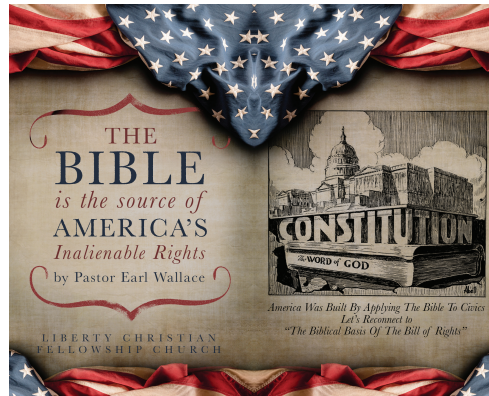

- Raising up disciples who are like the men of Issachar, who know the times and what the nation should do” (1 Chronicles 12:32) cooperates with how God wanted Israel to be the model for how nations honor Him. It is the only way to restore America’s Bible-based culture! God does not separate Himself from any part of His creation — especially the state! He drowned Pharaoh’s army in the sea, when he led his state to disobey God! The statute in the book of Daniel indicates God ordains government to fulfill His plans for mankind on earth.
